Work Experience

The NAPKEN- Suffield, CT

Freelance Digital Designer / Owner

Specializing in Brand Identity:

2019- Currently

- Logo Design
- Web Design
- Marketing Materials
- Apparel
- Conceptual Renders
- Design Consulting

Accomplishments:

Currently, I am re-branding Dean's Beans, a 100% Organic and Fair-Trade coffee company which has earned them a 'Nobel Prize of Business.'

Signarama- West Springfield, MA.

Production Designer

Specialized in Brand Identity:

2018- 2019

- Design Consulting
- Logo Design
- Marketing Materials
- Vehicle Wrap Designs
- Sign Design
- Printing / Laminating
- Vinyl Application
- Weeding / Taping

Accomplishments:

Assisted with the installation of the graphics on the new Orange Line of T- Trains in Boston, Massachusetts.

Using my photo manipulation skills, I was able to bring more creativity to the table. This in turn brought in bigger clients.

Robert Half Company- Hartford, CT
